Ds2 majestic greatsword build

Nota: Deve-se usar isto APENAS para denunciar spam, publicidade e posts problemáticos (que contenham assédio, lutas ou ofensas). So, how do I use a majestic greatsword, and how do i throw souls at my stats early on? Should i ROBFlynn, or go heavier with poise? good right hand weapon for powerstance?Page 2Posted by/[deleted]7 years ago 18 comments Show Duströier's Builds For: Dark Souls 1 Dark Souls 2 Dark Souls 3 Demon's Souls Bloodborne 87 Builds In-Game Description An ancient greatsword of unknown origin. This sword was passed down through generations, until it reached Gordin, wandering knight of Forossa, and was lost upon his death. Uncannily, every last one of the prominent swordsmen who inherited this weapon was left-handed. Availability Treasure in Brume Tower, Inside a metal chest at the bottom of a side tower where Maldron the Assassin invades. From the Foyer bonfire, backtrack to the outside section. Go down the stairs and cross the huge chain. General Information Image Damage Aux Effects Counter Strength Poise Damage Stats Needed Stat Bonuses Damage Reduction Aux Effects Reduction Stability Durability Weight 241/0/0/0 (Slash/Thrust) 0/0 130 35 25/25/20/20 C/D/-/-/- 60/10/40/40/20 20/20/20/20 40 60 9.0 Move Set (Right handed) One-Handed Two-Handed Light wide horizontal slashes wide horizontal slashes Rolling thrust downward slash Running circular slash circular slash Heavy thrust then circular slash heavy thrust then circular slash (Left handed) One-Handed Two-Handed Light wide horizontal slashes |wide horizontal slashes Heavy delayed double clockwise slashes, knockdown on second hit thrust then circular slash Rolling thrust circular slash Running circular slash circular slash Right hand Strong full body flip then downward slash Video: Moveset Notes When wielded in the left hand, it uses the same moveset as the Abyss Greatsword from Dark Souls. The one-handed strong attack is replaced with a two-part combo: a spinning attack which has a knockdown effect followed by a follow up slash. The two-handed parry is replaced by a flipping overhead smash attack. The powerstanced heavy attack is Artorias' spinning then flipping attack, but will be overwritten if powerstanced with a different weapon class. Has better scaling when wielded with the left hand. With the weapon equipped in the left hand, it loses durability when using L1/L2 powerstanced and making contact with enemies. (Will not lose durability in Majula while doing the strong powerstanced attack.) The powerstance spin flip attack can be roll canceled, but only to the point of raising the sword, and is a very small window. This can be used to fake people out in PvP. Due to the 20/20 Intelligence and Faith requirement, it could be worthwhile to use this weapon on a hexer build Upgrades Basic Special upgrade path.
